Re: Status Reports

- ① Attorney - I have not found an attorney and have stopped looking for one. I do not see a trial in the near future. I have made my position clear. I have had enough of the games and the Jeff Paray puppet shows. I've had enough of the phoney computer exams, phoney police statements, ignoring and bullying. If the next decision and order is just more of the same, I will do my appealing now to avoid any more of the antics and methods that go on at the entry level of the court system. Make no mistake. I've had enough. I will fight my own battles. I will not submit to the bogus trial being induced here.
- ② Motions - I did not receive a response or any correspondence from the government regarding (duknos 89, 91) Their special allotment of time expired last week. I don't know if it is more conspiring, new antics or just more ignoring, but if they done playing games, I would like this nonsense to come to an end. It is either time to drop it or take it to the next level. I could care less at this point in time, lets take this foolishness to New York City. It's your move. I'm waiting.
